Underground Railroad Experience at Spring Hill Historic Home

Step back into history on Saturday June 24th.

Spring Hill Historic Home in Massillon, Ohio, will host our annual Underground Railroad Experience. This award-winning presentation allows participants to experience a series of historical-based vignettes from the perspective of a runaway slave in the early nineteenth century. Small groups are led on a 45 minute trek that encounters a sampling of the dangers and conflicts encountered by freedom seekers of the 1800s including a climactic encounter between local abolitionist farm owners and the predatory slave catchers of the period. There are five shows scheduled throughout the day.

Show times are 10:00am, 11:15am, 1:00pm, 2:15pm, 3:30pm.

Our 1:00pm performance will be on the front porch, allowing for people with mobility issues or who are unable to walk through the woods to attend.

Due to the program's popularity, advance ticket reservations are suggested. For sales and additional information call Spring Hill Historic Home at 330-833-6749.

Tickets can also be purchased on our website at www.springhillhistorichome.org/upcoming-events/ugrre
Reservations are expected to be paid for at time of purchase.

From 10:00 am to 5:00 pm, the historic home will also be open for self-guided tours. There is a nominal admission fee for house tours of \$3.00 for adults and students. Additionally, there will be period activities, displays and entertainment offered throughout the grounds all day, including live music and period dancing by the Madrigal Dancers of Wooster, Ohio.

Not-to-be-missed is the excellent Pulled Pork Dinner that will be prepared and served from late morning throughout the afternoon.
